

Confidential 

For five hundred years from 1935, the over-all welfare and direction of the Urantia Book is placed in the hands of the Seraphim of Progress. The immediate fostering of this revelation at least for the next one hundred years will be entrusted to the Seraphim of the Churches. This group has been instructed to ^{create} ~~carry out~~ a special commission to carry on this work. This Fostering Commission of the Urantia Revelation shall begin to function on February 11, 1952.

Beginning February 1954 the human aspects of the Urantia Book will be placed in the hands of the Trustees of the Urantia Foundation, subject to the advisory suggestions and veto powers of the Revelatory Commission of the United Midwayers of Urantia. This Commission shall continue to function as advisor to both the seraphic overseers and the Trustees of the Urantia Foundation, but their veto powers shall extend only to the decisions and acts of the human Trustees.

I reserve the right to intervene in any procedures at any time.
