

## ***The Logic of Love***

### **Chapter 25: Join the Club**

*Human things must be known in order to be loved, but divine things  
must be loved in order to be known.*

-The Urantia Book

I have presented three essential faith-beliefs for maximizing the liberation of love. These faith-beliefs are 1) that we are children of God, 2) that God's love will provide us with an afterlife, and 3) that we should not sit in spiritual judgment of others.

It is my hope that we will all affirm these faith-beliefs and, thus, be united as a spiritual family. I believe that love and logic lead to this decision, but I cannot prove this to you. There can be no compelling conclusion. Such would be inconsistent with the Freewill Love Factor.

If you have not yet decided to have faith in God, I encourage you to take the time to make this decision now. In the privacy of your own thoughts, search out your heart's desire to see if being a faith-child of God is okay with you, too. May we be unified for all time in the belief that we are the children of God and through sharing the love of this glorious spiritual relationship.

This is what works for me. I hope it works for you, too.
